June 18 - Father's Day! - Compassion
June 25 - Canada 150 Celebration - God and the Sparrows - Rev. Justin (in his St. Thomas debut!)

Today's Service

Thanks to everyone who helped make this Worship service a reality.

Through our gifts we commit ourselves to live out the mission and ministry of the church. Please give generously to the Mission and Service Fund to make this possible.

St. Thomas is an Affirming Ministry within The United Church of Canada. LGBT2S people are whole people and full members in this community of faith.

The United Church of Canada

St. Thomas is proud to be part of the United Church of Canada which ministers to close to 3 million people in 3,500 congregations across the country. (For more information about the United Church visit its website: www.united-church.ca)

Welcome to Worship!

St. Thomas United is an open, affirming, accepting, and child friendly faith community. With children present we expect noise and movement, so there's no need to leave the Sanctuary when it happens. If parents feel more comfortable with their children in nursery care, we have a nursery for babies & children under 3 years of age – just follow the posted signs.

We hope that your worship experience will feed you and challenge you on your faith journey.

Please talk to a greeter or the folks wearing an "Ask Me" badge if there's anything you are unsure of or have a question about.

There are Hearing Assistance Sets available. Ask a greeter or Ask Me person to get one.

We project everything you will need to participate in worship. You will also find hymnbooks in your seats if you'd prefer to use them.

Newcomers – please fill out one of our Communication Cards. This is our first opportunity to be in touch with you so that we can start to get to know one another.
