

Joy of Giving

2026 Stewardship Campaign

We are so pleased to have you part of our St. Thomas church family on your faith journey. We are thankful for your presence, and we also appreciate your generous financial gifts which support our dynamic ministries. Your donation not only helps us carry out our important work but also strengthens our commitment to serving others and deepening our faith

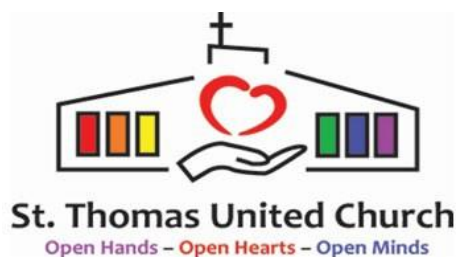

Thanks so much for all the ways you made a difference this past year through your donations of time, talent and treasure. We are so grateful for your generous participation in the ministry and mission of our congregation and the Mission and Service of The United Church of Canada. We cannot say thank you enough!

St. Thomas has always strived to be a beacon of spirit and hope in Calgary's northwest. We've re-awakened our spirit and continue on our faith journey with St. Thomas through fellowship in worship, hospitality, music, outreach and much more. Please consider getting involved with some of our many ministries with your time and talent.

As we look toward this new ministry year, we want to invite you to continue to be an important part of this ministry. Out of the **\$468,000** we have budgeted for 2026, **\$315,000** comes from committed community members like you and me. These financial gifts make our ministry in this community possible. As we look towards next year, we would also like to invite you to think about increasing your contributions and enable us to do even more in our community. An increase of even 5-10% would enable us to push ourselves further and make an even greater difference in northwest Calgary and around the world.

From all of us at St. Thomas United Church we want to thank-you for all the ways that you have supported this important work. We can't wait for you to be a part of our bright future together.

Thank you and God Bless, in prayerful gratitude,
St. Thomas United Church Stewardship Team
